

Md. Mustafizur Rahman

Contact Information:

Residential Address : Rajshahi, Bangladesh
Mobile : +8801743-885646
Email : mustafijurrahman40496@gmail.com
LinkedIn : linkedin.com/in/mustafijur-rahman-6431a7253/
GitHub : github.com/mustafizur-09

Professional Summary :

Computer Science and Engineering graduate with experience in software development, web technologies, e-commerce operations, and machine learning research. Skilled in Python, HTML, CSS, JavaScript, WordPress, and Git, with a strong interest in developing practical, user-focused software solutions.

Professional Experience :

Software Engineer | Ontek Horizon | Rajshahi, Bangladesh | August 2026 -Present

- Develop and maintain responsive, user-friendly websites using HTML, CSS, JavaScript, and WordPress.
- Troubleshoot technical issues, optimize website performance, and collaborate with the team to deliver projects on time.

E-commerce Coordinator | Ontek Horizon | Rajshahi, Bangladesh | June – July 2026

- Managed product listings, optimized SEO content, maintained inventory records, and improved the accuracy and presentation of e-commerce product information.

Software Quality Assurance (SQA) Trainee | RiseUp Labs | Uttara, Dhaka | (January 01 - January 28) 2026

- Performed functional, usability, and regression testing while learning Software Testing Life Cycle (STLC) processes.
- Gained practical experience in manual testing, test-case preparation, bug identification, and defect reporting.

Technical Skills :

- ◇ **Programming:** Python, C/C++, Java.
- ◇ **Core Competencies:** Data Structures & Algorithms, Object-Oriented Programming (OOP), Problem Solving.
- ◇ **Machine Learning & AI:** Machine Learning, Deep Learning, Model Evaluation (F1-score, ROC, Confusion Matrix), K-Fold Cross-Validation.
- ◇ **Computer Vision:** Skeleton-based Action Recognition.
- ◇ **Tools & Technologies:** Git, GitHub, Jupyter Notebook, VS Code, HTML, CSS

Educational Qualifications :

- ◇ **B.Sc. in Computer Science & Engineering** | Bangladesh Army University of Engineering & Technology | Department of CSE | 2025
- ◇ **HSC – Science (GPA 5.00)** | Rajshahi Court College | Rajshahi | 2020
- ◇ **SSC – Science (GPA 5.00)** | Rajshahi Satellite Town High School | Rajshahi | 2018

Research & Publications :

◇ Conference Paper

- **Skeleton-Based Medical Action Recognition Using Spatio-Temporal Graph Neural Networks** - Presented at UCICS-2026.
- **Paper ID : 100**

◇ Journal

- **Medical Action Recognition from 3D Skeleton Data using Graph Learning: An Analysis of Activation Functions and Optimizer Combination**
- Submitted to International Journal of Advanced Technology and Engineering Exploration (Under Review).

Projects :

◇ Amazon FBA | Ontek Horizon | (July 12 – Present)

- A modern and responsive corporate website template for digital services, business solutions, and professional training programs.

◇ Spatio-Temporal Analysis of Critical Medical Action Recognition using Deep Learning Techniques | Bangladesh Army University of Engineering & Technology | Thesis.

- Developed an ST-GCN-based deep learning model for skeleton-based medical action classification.

◇ Leaf Disease Detection using CNN | Bangladesh Army University of Engineering & Technology | (August 2024 -May 2025)

◇ BAUET Library Management System | Bangladesh Army University of Engineering & Technology | (January 2024 -May 2024)

- Developed a database-driven system to automate book issuing, returning, and user management using structured programming principles.
- Built a CNN-based image classification model to detect plant leaf diseases with high accuracy through data augmentation and preprocessing.

Leadership & Organizational Experience :

◇ President, BAUET Welfare Club – Led 35+ members; organized 8+ programs.

◇ Vice-President, BAUET Sports Club – Coordinated campus sports events.

◇ Joint Secretary, BAUET Computer Society – Organized technical workshops.

◇ Campus Ambassador, Robi Bdapps – Promoted student digital programs.

◇ Coordinator, Active Citizens (Batch 93) – Led community activities.

Certifications :

◇ Networking Fundamentals – Coursera.

Language Proficiency:

◇ Bengali – Native.

◇ English – Professional Working Proficiency.
